Lamb Losses Project

# Ewe Record Sheet

**Please use this sheet to record any pre-lambing losses or any ewes that deliver fewer lambs than originally expected from scan results. This will help to identify losses between scanning and lambing. Please record:**

**A** **Abortions – occurring at any stage between scanning and predicted lambing date.**

**ED Pre** **Please record any ewe deaths that occur before lambing and their cause (if known) or the circumstances in which the ewe was found dead if the cause of death isn't known.**

**ED During** **Please record any ewe deaths that occur during lambing and the cause (if known) or the circumstances if the cause of death isn't known.**

**Embryo losses – please record any ewe that:**

**Tw > S** **delivers a single but was expected to deliver twins**

**Tr > S** **Delivers a single but was expected to deliver triplets**

**Tw > Tr** **Delivers twins but was expected to deliver triplets/multiples**

| Date | Breed of ewe | Age of ewe | Litter size scanned | Ewe incident recorded (see above) | Comments (please note any circumstance eg weather, location found (if dead), casue of death if known etc) |
