

# Meat Promotion Wales Lamb Losses Project

Meat Promotion Wales (HCC) is offering sheep farmers in Wales an opportunity to participate in a national project to monitor lamb losses over the coming year. The project aims to identify the main causes of lamb losses and to provide participating farmers with advice and support to help minimise losses the following season. Financial support is available to assist record keeping.

Please fill in your details below should you wish to be considered for this project.

## Applicant's details

Name:

Address:

Postcode:  Telephone:

Mobile :  Email:

Is the majority of the farm classified as (please tick): Hill (SDA)  Upland (DA)  Lowland (Non-LFA)
